

**Alzheimer's Association: Houston & Southeast Texas
 Support Group Listing**

Our caregiving support groups are designed for family members, caregivers, and friends of people with Alzheimer's disease and related disorders. These groups provide members an opportunity to discuss caregiving challenges and share helpful tips, while receiving support from others who are in similar situations. All support groups are facilitated by a trained leader, are confidential, free of charge, and open to the public.

Support group schedules may vary, especially due to the holidays or severe weather.

If you have a question about a support group, or if you are interested in facilitating a group, please contact us at 1-800-272-3900, or email jreynolds@alz.org.

Our support groups and their volunteer leaders are not to be contacted for commercial purposes or solicitation.
